The Sefer Torah is a scroll that the Jewish people have read and learnt from for over 3,000 years. Also referred to as the "Five Books of Moses" and the "Torah," the Sefer Torah is considered the prize possession of the "People of the Book." This most cherished and essential text has kept Judaism and the Jewish nation alive and vibrant.

At Chabad West 60s, we believe that every Jew is precious. In our tradition the Jewish people are likened to the letters of the Torah. No letter is more important than another. All the letters of the Holy Torah are interdependent, for without even one letter, the Torah is rendered incomplete. Similarly, each and every Jew is a vital link in the unbreakable and everlasting chain that is the Jewish people. With even a single link missing, we are not whole; only together we are complete.

Link yourself with the Jewish community by participating in the writing of this Torah Scroll. Each part of the Torah—letters, words, sentences, and Torah portions—can be dedicated in honor of or in memory of your loved ones. In making this contribution, you will be participating in this incredible Mitzvah of writing a Sefer Torah, and whenever it is read and learned from, your commitment to Judaism and the Jewish faith will be remembered.

And now write for you this song...

—DEUTERONOMY 31:19

“By this injunction we are commanded that every person among us is to have a scroll of the Torah for himself. ...If he writes it with his own hand, Scripture considers it as if he had received it from Mount Sinai. If he cannot write it himself, he is obliged to purchase one, or to hire a scribe who will write it for him”. —MAIMONIDES
